Pastor's Corner

In case you don't know, I was named wrong at my birth. I know it sounds ridiculous. It will sound even more ridiculous when you hear the name I was given: **Bert**. For roughly the first 10 years of my life I answered to the name Bert. (Do I look like a Bert?) It was my father's fault! He had good intentions; he wanted to name me after his grandfather: William Anderson Smith. What was actually recorded onto the birth certificate was something else: William **Albert** Smith.

For the first ten years of my life I never questioned my name. My name was Bert. My friends called me Bert. My family called me Bert. I answered to the name Bert. I was fine with Bert until the discovery of my dad's mistake. How could I keep **Albert** knowing that the original intent was to name me after my great grandfather?

Thus started my quest to change my name. At first I selected **Will**. My name was Will. My family struggled to remember my new name. But then it dawned on me that I should use my middle name somehow. After all, William was always my first name. So I changed again and settled on Andy. It took a while for everyone to get my name straight. I have a brother who still addresses me as "Andy, Bert, Will." And of course my mother never stopped calling me Bert.

It's not easy to change your name. Legally it requires the approval of a judge, which I did. Then there is the mending of all formal documents, which can be tedious. And finally there is reminding everyone to address you by your new name. Believe me, it's not easy changing your name.

February 10 is Ash Wednesday and the beginning of Lent. This is the season where we focus on simple living, prayer, and fasting in order to grow closer to God. As we prepare for Lent...consider this: when we turn to God in faith, we are gifted with a whole new name: **child of God**. It's important that we understand and grow into the name God has given us. For God so loved the world that He gave His only Son to give us a name that means "**loved**" and "**forgiven.**"

Friends, you are children of God. Lent is that time of the year where we should grow in our understanding and gratitude of our spiritual name. As it says in Psalm 100, "*Worship the Lord with gladness; come into His presence with singing. Know that the Lord is God. It is He that made us, and we are His; we are His people!*"

Be grateful for your name. Not just the name that associates you with a particular family, but your spiritual name that fills you with the goodness of God!

See you Sunday,

Andy

NEW LENTEN SERMON SERIES...As I mention in my article, names mean something. Your name is important! The season of Lent is all about drawing closer to the name of Jesus Christ. No name is more important in your life than the Son of God! Starting February 14, we're going to be looking at some of the names and characters present during the last week of Jesus' life. Some, like Pontius Pilate, were pivotal characters in Jesus' road to the cross. But who was Barabbas and that guy from Arimathea named Joseph? We're going to spend some time looking at all these names and explore their role during that most holy week in Jerusalem. Hope to see you in church!

Earth Angels

Earth Angels are beginning a new year and are continuing to work on projects to benefit local citizens and local groups.

Women who are interested in quilting make up our group called Earth Angels. Meetings are usually held at 6:00 PM on the second Tuesday of each month, in the First United Methodist Church Fellowship Center. A typical meeting involves an inspirational reading followed by the mentioning of persons who may be in need of prayers or in need of being "wrapped in God's love" by the presentation of a quilt. Members share ideas, show quilts they have made, and engage in quilting projects. Earth Angels also enjoy going on road trips to area quilt shops and quilt shows. Fellowship and sharing play a major role in Earth Angels. Feel free to visit our next meeting on February 9, 2016; we'd love to have you.

COMMUNITY LENTEN SERVICE

During Lent, everyone is invited to the community Lenten services sponsored by the Gonzales Ministerial Alliance. Each Wednesday at Noon, different pastors will lead a short 30-minute service at First Baptist Church. Everyone will then be invited to a lunch served in our fellowship hall. **Pastor Andy will preach on February 10. Rev. Monica Smith will preach on March 9. That means our church will be providing the lunch on those two Wednesdays.** We will need desserts donated as well as volunteers on both these dates. Thank you.

Book Club News

Twan Brady led the discussion of this month's book Bathsheba: The Reluctant Beauty by Angela Hunt. The novel was based on the life of Bathsheba and while most of it was fictional, the author had done extensive research into Hebrew culture and the time of King David. The group felt like we learned a great deal about the times and culture of the Old Testament while being entertained with a fascinating story. We even learned a few Hebrew words that were scattered through out. The Hebrew word for sensual beauty was how Bathsheba was described as a baby at her dedication and was a description that she came to dislike as she matured. Angela Hunt has written several novels about the women of the Bible, and the group felt that the others would be worth a read also to learn more about the Hebrews.

All the Light We Cannot See by Anthony Doerr is our selection for February. The book about a young blind French girl and a young German boy whose paths cross is a most unusual way during the German occupation of France has been on the New York Times' best-seller list for months and rightly so. We look forward to reading the book and discussing its many facets on February 25.

Our group was privileged to celebrate the birthday of one of our members, Fran Jackson. Fran was 90 on January 30 and was honored by her daughters at a lovely luncheon at the Episcopal Church. Congratulations, Fran, and we are looking forward to 100!

For information about our group, please call 672 -9307.

Discipleship News

As Ruth and I move on to where the Lord is leading us, we leave FUMC with heavy hearts. We have been blessed by this community and have loved getting to know so many of you during our time in Gonzales. It was a difficult decision to leave, but there is much peace in following where we sense God leading us.

Thank you to the countless people who welcomed us so warmly into your church community and let us experience life at FUMC for a year. Thank you to Pastor Andy and the SPRC for hiring Ruth and taking an even further step of hiring me on with the pastoral staff. It was an incredible learning experience for me and I was blessed by so many people during my time here as the Director of Discipleship. I am so thankful for the opportunity to have led ministries like the college group, our summer small group, The Gathering, the nursing home ministry, and the men's group. I have learned so much about Christ's Church, vocational ministry, and starting things from scratch.

What I will remember most from our time at FUMC is not the many experiences and events we were able to take part in (like the long days of Come and Take It!) or even the relationships we built, but how we saw God's Spirit move. We knew that the Lord was already at work in the community of FUMC before Ruth and I moved here and we know that He will undoubtedly be at work long after we are gone. We are humbled and blessed to have just been present as God moved in and through the people of this community. It is truly amazing to see what God can and will do when we allow ourselves to simply be present with people.

Once again, thank you all for allowing Ruth and I to be a part of your community for a year. FUMC Gonzales is forever a part of our story now, and we are thankful for it.

-David Smith

UMW Study

UMW will host a study on February 1st. We invite both genders in the church to attend. Letters will be sent to surrounding Methodist communities.

The study entitled, "**Created for Happiness: Understanding Your Life in God**" is written by Cynthia A. Bond Hopson and Sarah Heaner Lancaster. The early Methodist tradition used the language of happiness often. Not only did John Wesley preach and teach about happiness but his brother Charles wrote hymns about happiness that the early Methodists sang. The happiness they sought was happiness in God. This study examines the understanding of happiness and how to live the life that God calls us to.

This intriguing study will be led by either Pastor Andy Smith or David Smith.

Please let Cheryl Meadows (672-7711) know if you are planning to attend this study and if you would like to have your own copy of the text so that the texts can be ordered in time.

Come for coffee, juice and pigs in the blanket at 9:30 a.m. The study will begin at 10 a.m. We will break for lunch at noon provided by the UMW members. The study will end at 3pm. The study will last for 4 hours in order to meet study guideline requirements.

All things youth

“You are the light of the world.”—Mathew 5:14

As David and I begin this transition of moving from Gonzales to where Christ is leading us I just want to say thank you to the church, community and youth of Gonzales. You all have truly impacted our lives and stories and we are so thankful for this season we have shared with y'all. Although transition and goodbyes are never easy, I am thankful for the truth we hold in Christ: although we are no longer physically present in Gonzales we are all united in the body of Christ.

I have been so thankful and blessed by the youth I have been able to meet and build relationships with over this year. Not that you all don't know this already, but the youth of this community are truly amazing. The youth I have met through our church, schools, games and lunches are HUNGRY for God's love, truth and grace. I am confident God is at work in their lives. I have loved walking alongside so many students and watching their hearts hunger for more of Jesus. I am thankful for the countless games, lunches, walks, early morning breakfasts, Wednesday nights and Sunday mornings. In these times God has taught me the power of being present in the lives of His people. Through being present I have watched God work through students and transform lives.

I will truly miss doing daily life with the students and people of Gonzales, but I am thankful that although we leave, God always stays with His people. I know from the moment David and I moved to Gonzales God was already at work and that His people were and still are shining His light. My prayer for FUMC and Gonzales as we leave is that we would let the light of Christ shine through in such a mighty way that people would not look at us, but see how great our Father in heaven is. Thank you all for letting me do the youth ministry here at FUMC and for welcoming, loving and being the light of Christ to David and I.

YOUTH DIRECTOR NEWS

It is with great sadness that bid farewell to Ruth and David Smith. Although their time in Gonzales was far too short, their presence blessed our church and our Youth program. Pastor Andy and the SPRC are hard at work searching for a new Youth Pastor. We already have some potential names but understand that we will take great care in searching for the right person for our church and community. We ask for your prayers during this time of transition.

In the mean time, YOUTH will continue!
The Wednesday night schedule will remain the same!
In addition, our children and Youth will be
leading worship on Sunday, February 28!
